LB 587A, 587

CLERK: 26 ayes, 0 nays, Madam President, on the adoption of the confirmation report. (See page 2683 of the Legislative Journal.)

SENATOR CROSBY: The report is adopted. Mr. Clerk, we go to LB 587A.

CLERK: Madam President, LB 587A on Select File, no E & R, Senator. Senator Baack would move to amend the bill, however.

SENATOR CROSBY: Senator Baack.

SENATOR BAACK: Yes, Madam Chairman and colleagues, this amendment that I'm adding to LB 587A is a reflection of what we did on LB 587 on Select File where we added a checkoff to the income tax form where you could check off for the contribution to the Campaign Finance Reform Act. What this does is the Department of Revenue gave us an estimate that it would cost \$50,000 to put it on the income tax form and to have a line on the income tax form. This would put \$50,000 for the Department of Revenue, not for this coming fiscal year but for the year after that. This is something that as we discussed on Select File on LB 587, this is an issue that the Government Committee is going to be investigating over the summer. This expenditure won't occur until after next session, and I would assume that we'll make some adjustments in the Campaign Finance Reform next session to reflect what they find out in their study over the summer. So this simply makes the A bill match with LB 587 which is now sitting on Final Reading. So I would urge your adoption of the amendment. Thank you.

SENATOR CROSBY: Thank you, Senator Baack. Any discussion on the amendment to LB 587A? Seeing none, Senator Baack, would you like...Senator Baack waives closing. The question is the adoption of the amendment to LB 587A. All in favor vote aye, opposed no. Record, Mr. Clerk.

CLERK: 27 ayes, 0 nays, Madam President, on the adoption of Senator Baack's amendment.

SENATOR CROSBY: The amendment is adopted.

CLERK: I have nothing further on the bill, Madam President.

SENATOR CROSBY: Senator Hohenstein.
